There is something for everyone! Northwestern State has more than 100 organizations to appeal to a variety of interests. There are more than a dozen Greek organizations along with service clubs and organizations related to academic programs, honor societies, community service, and religious beliefs.

NSU hosts 14 NCAA Division I intercollegiate championship caliber sport teams. We are also proud of the “Spirit of Northwestern Marching Band” with over 300 members. A special part of the band is the Demon Dazzlers danceline. The co-ed cheerleading squad and Purple Pizzazz Pom-Pon line keep Demon fans on their feet. The NSU spirit groups offer scholarships to their members.

The School of Creative and Performing Arts presents an outstanding schedule of plays, concerts, recitals, and exhibits. All students regardless of major are eligible to audition for NSU Bands, the Natchitoches-Northwestern Symphony, and other performing ensembles.

Northwestern State University offers a unique scholarship opportunity for seniors who are leaders among their peers. The Presidents Leadership Program allows a select group of freshmen the opportunity to enhance their leadership skills through an exciting experiential program. The Department of Student Activities will host a PLP Experiential Session from 2:30 - 5:00 pm after the Senior Day activities. A reservation is required in order to participate in the program. (See reservation form to indicate your interest)
